Divine Source, Mother, Father, God & Goddess  
 We call forth ourselves into the Light  
 We call forth a clearing  
 We call forth the illuminate, radiant, form of our souls  
 Through the Light of the Christed One and Holy Spirit  
 To guide, direct and take us into  
 the spiritual heart of Universal God & Goddess  
 And to bring forth Forgiveness, Joy, Peace, Love and Gratitude  
 Within ourselves individually and collectively  
 We call forth the cooperative Spirit of Unity  
 The Light, Love and wisdom of the LaHoChi  
 The LaHoChi Master, the Council of Love,  
 The Angels and Archangels of pure consciousness,  
 And All beings of the Light of the highest.  
 To assist us individually and collectively.  
 We call forth the healing and return of Divine Blueprint.  
 And that which is our next step in our spiritual growth.  
 For our highest good.  
 We give thanks to Holy Spirit for our transmutation  
 and transformation through the Divine Light.  
 We give thanks for our perfect alignment within  
 our spirit, soul and personality.  
 We come together in one unifying energy,  
 As one Heart, one Mind, one Will and one Light.  
 And So It Is
